

HERSHEL "WOODY" WILLIAMS

Received the Medal of Honor for valor during the World War II Battle of Iwo Jima and he is the inspiration behind the not-for-profit Hershel Woody Williams Medal of Honor Foundation (www.hwwmohfoundation.org)

I TRUST CHIROPRACTIC CARE

Following my service to the country during World War II, I had a 35-year career training horses. It was physically demanding work that resulted in several episodes of serious back pain. I've always trusted chiropractors to get me back on my feet doing the work I loved pain-free, and they have kept me going to this day!

Today's chiropractor has a minimum of seven years of higher level education.
