PRESS RELEASE FOR IMMEDIATE RELEASE

Leading Manufacturer Joins the Foundation for Chiropractic Progress Positive Press Campaign

Carmichael, CA – January 25, 2010 - ScripHessco (www.scriphessco.com), the largest distributor of reconditioned adjusting tables in the world, announced a \$10,000 donation to the Foundation for Chiropractic Progress (www.f4cp.com), during the 2010 Parker Seminars held in Las Vegas, N.V., on January 14th- 17th. The pledge was made by ScripHessco CEO, Matt Taylor, in full support of the not-for-profit organizations mission of creating positive press for the chiropractic profession.

“As the number one provider of chiropractic equipment and supplies for over 40 years, ScripHessco is committed to educating the public about the Chiropractic profession and its many benefits through its sponsorship of the Foundation for Chiropractic Progress,” states Taylor.

ScripHessco’s financial support will be directly distributed into the Foundation’s positive press campaign, which includes advertisements, public service announcements, and press releases. Through the Foundation’s campaigns, the organization was able to generate over 320 million pro-chiropractic media impressions in 2009 alone.

“To gain the support of such respectable industry leader, such as ScripHessco, speaks volumes to the quality work the Foundation is doing for the chiropractic profession,” says Kent S. Greenawalt, Foundation Chairman. “As the Foundation continues to grow, we plan to continue to give the chiropractic profession the proper promotion it deserves and our vendor partners will surely benefit from our success.”
