**FOR IMMEDIATE RELEASE**

**Foundation for Chiropractic Progress Welcomes  
Dr. Ray Foxworth to its Board of Directors**

**CARMICHAEL, Calif. – January 22, 2016** – The [Foundation for Chiropractic Progress](#) (F4CP), a not-for-profit organization dedicated to raising awareness about the value of chiropractic care, announces today the latest appointment to its board of directors: Ray Foxworth, DC, FICC, MCS-P, president, [ChiroHealthUSA](#), a provider-owned network that endeavors to help doctors remain compliant while keeping chiropractic care affordable for patients with non-covered services. Recognized as a notable figure within the chiropractic industry, and two time recipient of Inc. Magazines Top 5000 Fastest Growing Companies in America, Dr. Foxworth brings valuable practice and leadership skills to the F4CP board.

“We are honored to welcome Dr. Foxworth to our board of directors,” says Kent S. Greenawalt, chairman, F4CP. “His knowledge and expertise will serve as a beneficial asset to the organization, and will certainly help to drive the overall advancement of the campaign.”

As a 1984 graduate of Cleveland College of Chiropractic and Medical Compliance Specialist, Dr. Foxworth has over 30 years of industry experience and has served in positions including president of the Mississippi Chiropractic Association. Dr. Foxworth is the first chiropractor to be appointed to the Mississippi Board of Health, served four years as staff chiropractor for the G.V. Sonny Montgomery VA Medical Center and has also been the recipient of several prestigious awards, including Chiropractor of the Year. His practice is on the campus of NewSouth NeuroSpine, home to the states only multidisciplinary spine center.

Enthusiastic about his recent appointment, Dr. Foxworth states, “As a long-time supporter of the organization, I am excited and honored to have the opportunity to work internally among the talented and well-versed F4CP board of directors. I am confident that, together, we can achieve unprecedented levels of success for the profession.”

Dr. Foxworth will join the following industry leaders as an esteemed member of the F4CP board of directors:
